Society for
Technical
Communication

STC - Central Iowa

Discover the Benefits

STC - Central Iowa Mission

STC - Central provides value to members by sponsoring and fostering training and educational activities, as well as providing online and in-person networking opportunities for technical communicators, that includes:

- Providing tools for our members that allow them to grow professionally.
- Giving our members an arena to share and display their skills/knowledge.
- Promoting collaboration between the academic, industrial, nonprofit, and consulting aspects of our field.

Technical communication is recognized as an essential part of every organization's competitive strategy.

Build a Career in Technical Communication

Grow with STC - Central Iowa

STC is the largest organization of its type in the world with over 18,000 world-wide members in 147 chapters. Members include anyone whose work makes technical information available to those who need it.

STC membership provides opportunities for ongoing learning and professional networking, through its local communities and international association.

Industry Representation

The STC - Central Iowa community includes members from a variety of industries including:

- Agriculture
- Finance
- Insurance
- Manufacturing
- Medical
- Software

Our members live and work in the south central Iowa and the greater Des Moines area.

Member Benefits

In addition to our regular community meetings, STC - Central Iowa offers:

Networking

Meet new people and keep up with old friends at monthly meetings.

Job Board

Keep up with Central Iowa job listings for full- and part-time jobs, contracts, and internship opportunities.

STC Web Seminars

Join STC - Central members at a central location to participate in low-cost STC-sponsored Web seminars featuring nationally-known speakers.

Publications

Our STC - Central Web site and Perspectives, our community newsletter offers you the opportunity to give your two cents on current industry trends, as well as provide chapter information.
